

Sew Chill

Online Sewing Studio

As a long time sewist I've tried almost every notion on the planet. All in all this list below are my go to notions that you will reach for in almost every project. In addition to your local fabric shops you can also find these items at Hobby Lobby, Michaels, Walmart and Amazon.

Basic Sewing Notion List

- Pair of scissors used ONLY for fabric
- Pair of craft scissors for paper (not for fabric)
- Pair of embroidery scissors (optional but comes in handy)
- Pins (I like the long pins)
- Pattern weights (use what you have at home like soup cans, 3-5 pound dumbbell weights, etc.)
- Seam Ripper - yes you will need this occasionally ;-)
- Universal sewing machine needles
- Needles of various sizes for hand sewing
- Seam gauge
- Measuring tape
- Heat erasable marking pen (Frixion is my favorite)
- Thread to match your project as desired

Optional Sewing Supplies List

If you plan to cut out your fabric using a rotary cutter you'll need the following...

- Rotary mat large enough for your project - get the largest one you can afford or put two together that will fit your space
- Rotary cutter (either 45mm or 60mm)
- Extra rotary blades
- Quilting ruler is helpful for cutting straight lines
