Preparing Fabric

Cut 2 pieces of fabric measuring 9" x 12" each.

On wrong side of both pieces of fabric draw a line with a fabric marking pen one inch from top and two inches from top.

Snip 3/8" on the 2" line on both sides of each fabric. (x)

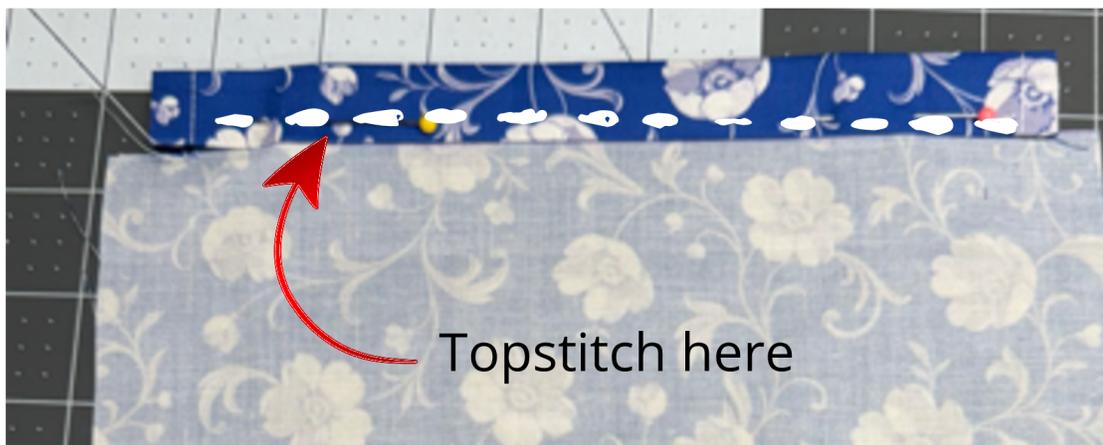

Sewing Instructions

Fold top 2" (in brackets below) wrong side to wrong side and topstich in place on both sides of each piece.

Fold top of each piece to the 1" line. Press with iron.
Fold again to the 2" line.

Stitch in place on the 2" line to create the channel for the ribbon insertion.

Stitch using a 3/8" seam allowance down each side and the bottom of the bag.

Optional: Finish the edges with a zigzag stitch or serger
Turn inside out and press with an iron.

Cut the 1 ¼ yard ribbon in half (approx 22" each).
Pin a safety pin to one edge of the ribbon.
Insert ribbon through the left side of the channel out the
right side and back into the back channel.
Insert the other ribbon through the opposite side to look like
the picture below.

Tie a simple knot in the ribbon on each side
